

# How to keep a single piece of paper from stopping a 20-ton moving van.

**Before the doors on this van can close, escrow has to. And arranging financing for your employees or clients is the one element of a relocation that's out of your hands. Until now.**

## **Put yourself in control with an Online Mortgage Center from FiNet.com.**

Now your company can have its own Online Mortgage Center. A partnership with FiNet.com means you can offer your employees or clients financing with competitive rates and the mortgage features they want, plus the convenience of online application and approval.

With your company's Online Mortgage Center, you can monitor the application every step of the way, 7 days a week, 24 hours a day. And because you're no longer out of the loop, you can manage relocations more efficiently.
